During the course of the school year, your child may be involved in various activities sponsored by Beaverton School District No. 48. The District has elected to establish guidelines relating to transportation of students for these events. There will be some activities that the District will not be providing transportation to and from the event. For those events/activities, your child will be responsible for their own transportation. This form is intended to advise parents and guardians of these circumstances and to have the parents/guardians release the District from all liabilities arising out of students transporting themselves in privately owned vehicles.

I acknowledge that I have reviewed the following procedures:

- a) There may be times/occurrences in which my child will be transported in a privately owned vehicle or use public transportation such as Tri-Met or Max Light Rail.
- b) There may be times/occurrences in which my child will be transported in a privately owned vehicle driven by another adult or student.
- c) If a privately owned vehicle is used in transporting students, I affirm that I or my child have statutory liability insurance, including uninsured and underinsured motorists coverage.
- d) I stipulate, if I am involved in driving my own vehicle or my child/guardian is involved in driving a privately owned vehicle, that the driver will adhere to all traffic ordinances and laws, including, but not limited to, possessing a valid driver's license at all times and abiding by any restrictions on the license.
- e) I further agree to defend, release from liability and to indemnify and hold harmless the school district, sponsors, employees, school board members, volunteers, and agents from any and all claims and liabilities (including costs and attorney fees) arising out of or in any way connected to the transportation of my child in a privately owned vehicle either owned by me or any other party or while using public transportation. This Release and Indemnity Agreement includes claims based upon negligence.
- f) I understand that I am responsible for damage to any privately owned vehicle.
- g) I further affirm that I have carefully read and understand this agreement and all of its terms. I understand that it is an AGREEMENT TO RELEASE AND INDEMNIFY which will prevent parents or guardians of my child or my child from recovering damages in any event of injury or death. I, nevertheless, enter into this Agreement freely and voluntarily and agree that it will be binding upon me, my heirs, assigns, and my legal representatives.
